## NOTE FROM THE DIRECTOR:

Hi Everyone, I hope to see you all in our Summer Program.  
Field trip schedule coming soon....

Cell phones and personal electronic devices are not allowed  
at the club. If we see anyone using one, we will confiscate  
them and give them back when you go home. If you need to  
make a call or receive one, let us know and we will make  
accommodations at the front desk.

I understand parents like to have connections to their  
children, but we have continuing problems with bullying and  
inappropriate behavior on phones. Thank you for your  
understanding. Any questions, give me a call at (530)295-  
8019 or email me at [mike@bgce.org](mailto:mike@bgce.org).
