

Cool Club September Newsletter

Nut Free Facility

Please remember that Boys & Girls club is a nut free facility. This is to ensure the safety of all club members. So please leave all PB&J sandwiches, peanuts/ tree nuts at home.

Thank you!

Clothing Donations

With our growing number of members here, especially little ones, we can always use more spare clothes. If you have any little kids (TK-6 yrs old) clothing that you are not using anymore we will happily take donations for things like underwear, shorts, pants, etc. Please keep it to a small bag. Thanks!

Music Lessons

Music lessons will be continuing this school year with Cody. Music lessons will be held every Tuesday at the Cool club:)

Permission slips at the club!

Active memberships

Since it is still the beginning of ASP, please make sure that all accounts are up to date with a card on file and no outstanding balances. If you have any questions you may contact Grace at grace@bgce.org
